## PRESS NOTE

### Subject: Political Analysis of 2026 Telangana Municipal Corporation Elections

**February 15, 2026** — As the results of the 2026 Telangana local body elections conclude, **SHASAN PST** presents a detailed comparative analysis of its projected seat counts and mayoral candidates against the actual outcomes across seven key Municipal Corporations.

The 2026 elections, held on February 11 with counting completed on February 13, saw a decisive victory for the ruling Congress party across the state. Our projections accurately anticipated the Congress sweep in major hubs like Mancherial and Ramagundam, while also correctly identifying the BJP's emergence as the single largest party in Karimnagar and Nizamabad.

#### Municipal Corporation Performance Analysis (2026)

Municipal Corporation	Total Wards	Projected Seats (SHASAN PST)	Actual Results (Official 2026)	Projected Mayor (SHASAN PST)	Actual Mayor / Status

## PRESS NOTE

**Subject: Political Analysis of 2026 Telangana Municipal Corporation Elections**

### Key Analysis Highlights:

- **Accuracy in Wards:** [SHASAN PST](#) successfully projected the exact seat count for the BJP in **Nizamabad (28)** and maintained a high level of **accuracy** in **Kothagudem** and **Mahabubnagar**.
- **Political Shift:** The Congress party out performed projections in [Mancherial](#) and [Ramagundam](#), securing 44 and 38 seats respectively, effectively clearing the "Hung" status previously anticipated for [Ramagundam](#).
- **Mayoral Elections:** Formal election of Mayors and Deputy Mayors is scheduled for **February 16, 2026**. While the BJP is set to secure the Mayor post in Karimnagar, it has decided to sit in the opposition in Nizamabad despite being the single largest party.
- **Voter Turnout:** The state-wide voter turnout for these corporations was recorded at approximately **66.05%**.

[SHASAN PST](#) continues to provide data-driven insights into the changing political landscape of Telangana.
